

The Jewel in the crown: Cedarwood School

There is no other word to describe Cedarwood School other than “Home.” With the support of our amazing leadership team, teachers, parents, and the wider school community, we have built our system, processes and curriculum into something extraordinary. The quality of our education program and specialist teachers, therapy teams and support staff is a testament to countless hours of hard work, collaboration, inspiration, and fun! We should all be incredibly proud of what Cedarwood has achieved!

A big thank you to all the families and staff that have supported and continue to support me as I embark on a journey abroad. It has been an honour getting to know you all and I am going to miss each and every one of you. I am particularly going to miss all my daily cuddles from my children too.

A huge thank you to Mr. Sudeshan Moodley! It is an incredible working experience to be guided under a leader who is impeccable at keeping our 21st Century vision and mindset, innovative! Mr Moodley shoulders a considerable amount of responsibility with enthusiasm and a very positive attitude. I learnt something new from him every day. Thank you for showing me how a great leader, leads. You lead with great insight and precise when making decisions for our beautiful school. Your mentorship has been incredible and you have created the “family bond” we maintain in Cedarwood School. Thank you for taking care of your staff, parents and children with your warm demeanour.

Thank you to Mrs. Shannon Jacobs for her brilliant interpersonal skill and support! Your knowledge around remedial curriculum is admirable. Your creative intervention plans centred around each individual pupil which makes teaching and learning fun, unique and exciting. The grace you walk with lingers around our beautiful school.

Thank you to Mrs. Portia Bezuidenhout for leading your Intermediate Phase team so well... You surely have a mammoth role to fulfil and you have certainly reached several milestones, in building our Phase. Keep up the hard work and well done!

Wishing you all the best Cedarwood family!
