

THANDO SIBINDI

Thando Sibindi is a highly experienced senior business executive with over 28 years of leadership in Sales, Marketing, and Business Development, primarily in the Southern African Development Community Region. His expertise spans industries such as mining, oil & gas, manufacturing, and telecommunications. He has held numerous executive roles, including his current position as Managing Executive for a Leading Telecommunications Organisation.

He holds an Master of Business Leadership, Lean Six Sigma Black Belt and various other qualifications in Digital Marketing, Production Engineering, and Marketing. Thando brings a wealth of experience to the Board on management and leadership matters.

Thando is married with three children—a daughter and two sons. One of his sons is part of Cedarwood's Grade 1 pioneering Class of 2012. During his spare time Thando plays a lot of Golf, participates in road cycling and loves his freshwater fishing.
